The Future of Cybersecurity: Threats, Challenges, and Innovations

5th June 2025

Mr. Bryan Tan

Partner of Reed Smith LLP Singapore's Entertainment & Media Practice Group

Bryan is a partner in the firm's Entertainment & Media Group. Bryan has over 20 years' experience focusing on transactional, regulatory and legislative work across the ASEAN and Asia-Pacific countries and is ranked as an "Asia Super 50" TMT Lawyer.

Bryan also has extensive experience advising on venture capital investments into fast-growing technology companies, crypto currency projects including funds, exchanges and international consortiums, as well as cyber security, data protection and trade facilitation matters. He has also authored numerous legal texts including on data protection laws in Singapore as well as taught at the Certified CISO course. Bryan's client base comprises a broad range of industries across the TMT sector including video games, fin-tech, VC funds, healthcare, telecoms and technology as well as governments.
